Club Constitution Review

The Board would like to advise that the club constitution has now been revised and updated. It has been distributed to all the members via email, and will also be available at the club house for review.

Included in the review documentation is a clear outline of the changes, and reasoning for these changes. The updating of the constitution is simply to bring it up to date with appropriate wording, and a true reflection of our clubs activities.

This is your chance to review and feedback, so please take this opportunity. Once feedback is received then we will update, and adjust if required, redistribute to all members and then the final version will be voted on for adoption at the AGM.

Feedback **MUST** be received in writing. Please email to admin@greenacresgolfclub.co.nz before November 20.

The AGM is not the time to have your first look and make suggestions for more changes!

Thank you to those members who have already sent feedback through. It is great to know that you are taking an active interest.

Club Manager

The Club Managers position has been advertised. The applications close on Monday the 16th November 2020 at 4pm. If any member knows of someone who may be interested please get them to contact myself or another board member and we can provide them with the Job description.

In the meantime Ian Kain has stepped forward once again and is covering parts of the manager role for the Club until a new Club manager is appointed.

Please be respectful when dealing with Ian as he does not know all the answers but will do his best to assist you with your enquiry.

Golf is enjoyable like Eggs:

Golf balls are like eggs. They're white, sold by the dozen, and a week later you have to buy some more.

Club Captains Comments

Freezing Works Cup saw 10 pairs start in the 1st round last Saturday, which was a combined best ball net and only 6 shots separated the teams. Leading on 66 was Sarel Nienaber and Reinhard Pauls , followed on 67 by Ian Kain and Ross McFarland and Brian Murray and Chris Webb. Round 2 on Saturday is individual net, with the winning team having the lowest combined 3 net scores.

The draw will be on the booking website.

Regional Golf, Country Clubs played in Motueka, Greenacres was represented by Justin and Shaun Smith, Hugh Fitzgibbon and Henry Ludbrook. Thank you guys for making up the team, unfortunately the results didn't go our way. Next year we will be better organized and hopefully have 2 teams.

Champion of Champions played at Picton.

Results: A Grade Jackson Vickery gross 77
B Grade Gavin Levick gross 79

and runner up net overall, excellent effort

C Grade Robert Murray gross 94

Thank you men for representing Greenacres.

AGM, the nomination forms are up in the Clubhouse, we need some extra men on the Match Committee. Extra hands just spreads the light work load.

Ordered Chinese last night and a little Chinese driver came to the door and I walked out to meet him. He started shouting 'isolate isolate'. I said mate you're not late I only ordered it 15 minutes ago.'
