## News from the Board

Opportunities to give feedback on the Club Constitution must be received before Friday 20 November.

The next steps are that all of the feedback will be considered, then we will update, and adjust if required, redistribute to all members and then the final version will be voted on for adoption at the AGM.

Feedback **MUST** be received in writing. Please email to [admin@greenacresgolfclub.co.nz](mailto:admin@greenacresgolfclub.co.nz) before November 20.

The AGM is not the time to have your first look and make suggestions for more changes!

Thank you to those members who have already sent feedback through. It is great to know that you are taking an active interest.

## Club Manager Update

The Club Managers position has been shortlisted and interviews are currently underway.

Ian Kain is still covering parts of the manager role for the Club until a new Club Manager is appointed. He is doing a wonderful job and it is much appreciated.

Thank you to everyone for your consideration of Ian in this role and for your understanding of how busy he is.

## Club Captains Comments

Freezing Works Cup, well the second round was as close as the first round, and leaders were Ian Kain and Ross McFarland on 148 followed by Sarel Nienaber and Reinhard Pauls on 149. This mean we have a tie, both finishing on a combined score of 215.

In 3rd place on 217 was Brian Murray and Chris Webb.

AGM, the nomination forms are up in the Clubhouse, we need some extra men on the Match Committee. Extra hands just spreads the light work load.
